

## THE MAGICAL COW THAT CAME TO SCHOOL

There was once a boy named Ryan and he was the owner of the only magical cow ever. One day his cow followed him to school and freaked out his friend Jake. "It's-it's-

it's a cow", Jake stuttered.

"Not just any cow", Ryan exclaimed. "It's a magical cow".

"But magic isn't real", Ryan's friend Henry stated.

"It is to real", Ryan argued.

"Prove it", Henry shouted.

"Ok", Ryan said. "Could a regular cow do this"?

He snapped his fingers and the magical cow grew wings. It flew around the playground and landed at Ryan's feet. "And that's not all my cow can do", Ryan bragged. "My cow can shrink too".

Ryan clapped his hands and the now wingless cow, shrunk to the size of an egg!  
"Wow

your cow really is magic", Henry admitted.

"I don't like magical cows. They're creepy", Jake said.

Just then the bell rang and they ran to the door. "What are you going to do with your cow", Henry whispered.

"I'll...I'll put it in my bag", Ryan said and stuffed the cow in the bottom of his bag.

After three minutes of waiting for Mrs.Seletex, (their teacher) Ryan, Jake and Henry went

to their classroom. Just as Mrs.Seletex started the lesson, Ryan's cow gave a loud moo

from the inside of his bag. Everyone stared at Ryan in confusion. "Ryan", Mrs.Seletex inquired. "Where did that moo come from?"

"Um, nowhere", Ryan said.

"Moo", the cow said.

"Ryan, I would like to see your bag", Mrs.Seletex said.

Nervously, Ryan walked to the front of the room. Mrs.Seletex unzipped the bag and looked in. She turned the bag over and out came the magical cow. "Ryan, down to the

office", Mrs. Seletex ordered. "Explain to Miss Ellens why you have a cow".

Silence flew through the air. Nobody wanted to talk to Miss Ellens, she was the meanest teacher ever!

Ryan was horrified and yet here he was, walking down to her office. When he reached the office, Ryan cautiously opened the door and walked in.

He sat down on one of Miss Ellens huge chairs and waited. Finally, Miss Ellens came in

and sat down on the chair across from him. "So, you have a cow, do you", Miss Ellens

asked.

"I understand", Miss Ellens reassured. "I once had a magical fox that did the same thing".

Ryan smiled at Miss Ellens and left.

From that day many things have changed. Ryan is very popular for having a magical cow, Miss Ellens is liked more (at least by Ryan), Jake isn't as scared of cows and Ryan makes sure his magical cow always stays at home.

After a couple of years everyone forgot about the magical cow, until it won weirdest animal of the year, when Ryan was twenty-one.
