

## The Curse of the Ice Monster

Once upon a time there was a girl named Lucy and she was 10 years old. One day at school Lucy was sitting at her desk eating lunch. She heard a noise outside the window. Lucy said to her friend Meredith "I hear a noise outside the window." "I don't hear a noise" said Meredith.

When school was over, Lucy heard the noise again. When she got home she heard the noise again. "I heard a noise at school" she told her mom. "What noise, sweetie?" "It goes like this - STOMP, STOMP!" Lucy said.

The next day, Lucy heard the noise again. When Lucy was playing catch with Meredith, they saw the Ice Monster. Lucy and Meredith screamed. But Lucy had an idea. She looked for her reading glasses. She held it near the sun. The Ice Monster said "The sun is blinding me!" Lucy said "I am banishing you forever." The Ice Monster was banished in a puff of smoke. Meredith said "Thank you Lucy. You saved the school. Hooray!"
