

# The Bad Dream

One night a boy named bug was sleeping on his bed. he woke up from a loud bang he jumped up and screamed . he peeked under his bed and saw a head. he turned on the light and called his parents mom dad ! come fast they ran in his room and found him dead they cryd they got him cold water and he disappeared his mom looked around his room and screamed mom dad they run up stairs and ask what's wrong he said it's here who they say. bugs fell asleep the the next morning he never woke up again but it was still a dream the monster was under his Bed and no one knew. he kept dreaming bad. but then when he woke up one night and he Decided to make a dreamcatcher so he did. and never dreamed bad again but then The dreamcatcher fell on the ground and blew away he started to scream ahhhhhh! He dreamed about it again they never solved the problem so they moved house The next week they moved and never had a bad dream since but he still made 2 Dreamcatchers just incase one falls he would still have another one. he dreamed it again and he Then slept with his parents. after that he slept good and didn't sleep bad Again. he was 10 years old. 17 years later when he was 27 years old he died from a car accident. And everyone was sad . but then 5 years later a kid that was 11 years old had the same Dream as bugs and he he had a plan to kill the monster but suddenly he died at 28 years old from a car accident. and it was all a dream for bugs. the end
