

Abuelito visits Martin

I want to talk about my Abuelito who is my grampa from Ecuador. He came to Canada with my aunt Tia Ine and my baby cousin Eric. I went to the airport to pick them up with my family. I came to school late the next day because we pick them up at 3AM in the morning.

My Abuelito read me books in spanish. My Tia Ine and mommy picks me up at school.

I'm happy that they are visiting me and my family.
