

SMOKEY THE SMOKE BREATHING DRAGON

Once upon a time there were two dragons one named Tsunami the other was named smokey. Smokey was named Firegarion before he started breathing smoke.

4 Days Later

"Let's make smoke!" Firegarion said shooting fire out of his mouth. "Ok" said Tsunami shooting water out of his mouth. Smoke filled the sky like the clouds that covered the land of Storm. After a few hours of doing this they heard Firegarion's parents Smona and Smango shouting at the top of their lungs "Firegarion dinner time!" Firegarion said by to Tsunami and flew away. "What took you so long?" said Smango, "You're supposed to be her in exactly 4.4 seconds, were you flying at 4000 km per hour again?" "No" said Firgarion . "I was flying at 3098 km per hour." "I was close." said Smango. "Ya right." Said Firegarion. "What are we having?" asked Hammy Firegarion's little brother. "Eggs and noodles." "Gross!" After their 'delicious' dinner they went to the football game of the Leviathans they were awesome with fire breathing Behemoths losing against the Leviathans! Awesome! After the amazing football game Firegarion had to go to Tsunami's 10th birthday party at his house they made a firey piniata with spicy hot candy inside to put out! They played fun games like 'shoot your fire or water or whatever you can spit out.' It was so much fun!!!! And since Firegarion's birthday is the week right after, Firegarion

will have double the cake or maybe even triple! Firegarion knew that this was going to be the best year of his life!!!! He just knew it. Or did he? After 3 days there was only 3 more days left till his birthday. He was so excited!!!! It's finally Firegarion's birthday and it was awesome! First they played 'try and catch the dragon on fire' then the opposite 'try and put the fire dragon out' and then they finally played 'fireworks' witch is just making fireworks at Tsunami's house out of fire mixed with sparkles and sprinkles to eat of course. Dragons say it's good! "I really think I should be going." said Firegarion. "No please don't leave" said Tsunami, "There's still two more games left" "Sorry but I have to go i'm going to be late for dinner" " Then sleep over" said Tsunami, " I'm not allowed" "Ok". said Tsunami. Then Firegarion dashed home at lightning speed, it was a dark night when Firegarion hit something , a big hairy thing that then hit him so hard that Firegarion was out cold! When Firegarion woke up he found himself tied up to a tree with a big chainsaw hanging above his head, he was about to faint again but this time he wanted to do it for real so he wouldn't see anything that was about to happen, but he decided to stay awake so he could call for help by screaming "Heeeeeeeeeeeeeeeeeeeeeeeeeeeelp" for an hour super loud but that didn't work so he tried to just scream for hours but that didn't work so finally he tried his supper risky fire call and it finally worked, his parents burst through the room his mom holding a cooking pan his dad holding a hammer and his baby brother Hammy holding his teddy dragon who is holding a stuffed sword they finally stopped screaming and asked what was wrong as if they didn't see that he was tied to a tree they finally noticed that he was tied and cut him free, they escaped and went back home ,everybody was confused of what had just happened so they just slept and pretended it was all just a dream. The next day Firegarion's mom screamed when she entered Hammy's room and everybody rushed upstairs and asked what's wrong she said that Hammy was gone and that we had to find him as soon as possible, so they set out to find Hammy, they looked in bushes logs and even his favourite swimming lake

with monsters. Firegarions mom was about to die until Firegarion remembered where he was captured and they went there, and guess what they found baby Hammy with his stuffed dragon.

4 days later

Tsunami and Firegarion were making a rainbow with their spit and water came in Firegarions mouth and Smokey the smoke breathing dragon was born!!!

The End

Or was it?
