

Reunited

'Once upon a time,' Hayley read to the first-grade class, 'there was a lovely young maiden named Cinderella,' Hayley continued reading the story of Cinderella. Hayley Jance was a helper for Mrs. Jance (her mother) our teacher, but unfortunately,

she was sick so Hayley decided to help us with reading.

'Yawn, this story is so boring!' my best friend, Jessie, whispered to me, 'Hayley?' she said loud enough for her to hear 'can I go to the lady's room, please?' 'sure, But come right back.' Hayley said Jessie signaled to me to meet her in a couple minutes, I nodded.

I raised my hand, confusedly. 'Yes, Lily-Anne' 'why did the Fairy Godmother need a rose?' I asked 'well' Hayley replied 'I have always assumed that she needed it either to stay younger or to make the dress.' 'oh,' I sighed along with a bunch of other kids.

Well, I wasn't the only one!

'What took you so long?' Jessie asked me as I walked over 'I was enjoying the story' I answered 'Guess what! We have to choose and read a fairy tale for tomorrow!' 'Partners?' 'No, but we are allowed to help each other' 'ok' she said 'meet me at the park at 5 o'clock, it's important' 'K' I replied.

'Mom, can I take Cookie for a walk?' 'Sure, sweetheart, but be back in time for dinner.' 'When will dinner be?' 'In about a half an hour.' my Mother said, in a matter of fact way, 'K, Thanks!'

'NO! I HAVE TO BE HOME IN A HALF AN HOUR! I CAN'T GO SEE A

MOVIE!' I yelled at Jessie ' Please I'm moving to Mexico tomorrow, this will be my last chance to hang out with you' she cried 'WHY!' I said in tears ' Because my Mom needed a better job and my Dad needs to go to Mexico for his travels!' 'FINE! IF YOU VALUE OUR FRIENDSHIP SO LITTLE! GOODBYE!' and I ran home in tears.

6 Years later, I haven't heard from Jessie since. As soon as I got home I went onto my computer and deleted all my connection to her, I threw out all the letters I got from her. She tried texting me, but I deleted it. And ever since I have felt guilty! My new best friend, Alexia, the GOSSIP of the school, but I knew she would never spill all my secrets, she told me 'apparently, someone named Jessie Moores is coming to our school. She just moved here from Mexico! Isn't that so exhilarating!' she told me 'I knew someone named Jessie Moores back in grade 1.' 'Cool' Alexia said 'than you, 2 will be Reunited !' 'Yeah!' I said, unenthusiastically.

The next day Jessie Moores arrives. And it's Jessie Moores, my old best friend.

'Hay, Lily-Anne, can I talk to you?' 'Sure, but make it quick' I replied to Jessie 'I have tried to Mail, text, E-Mail, FaceTime, Call, and SnapChat you, why have you not responded?' I dunno maybe when you Mailed me the mailman got it mixed up with other mail, or you texted the wrong number, or your E-Mailed me it went to trash like spam, or I wasn't there when you FaceTimed or Called, or maybe you accidentally blocked me on SnapChat.' I said 'I have to go to Algebra, so, here is my E-Mail, Snapchat, and Phone number, Bye.' 'Bye.' she said sadly.

'Talk to her!' Alexia told me after I told her what happened with Jessie 'NO!' 'YES! IF YOU DON'T IT WILL MAKE ALL YOU'RE PROBLEMS WORSE!' And we yelled at each other till we were in tears and then it kept going till Alexia said 'This is exactly what happened with Jessie, you don't want to repeat that do you?' she said calmly 'no.' I said, feeling like a child scolded by a parent, 'I'm so sorry, I was wrong.

'um, Jessie, can I talk to you?' 'Sure?' 'I'm so sorry, I deleted all contact with you after our first argument and everything I received from you I throughout, I did that because I felt so upset after I yelled at you.' I took a deep breath, this was the scariest bit 'Will you forgive me?' The few seconds before she replied felt like a few years 'Of course!' she replied 'so, can we be friends again?' 'YES!' We had a giant hug and we went to go see the movie that was
